Issue #16

In Issue #15 we reviewed 200 ways to revive a bad hard drive. In this issue you can find out how to erase a hard drive to protect your personal information in the event you sell or throw away your old computer.

Disclaimer: All programs recommended are “use at your risk”. Powell Webs does not guarantee that all programs will work or that they will not in some way cause your computer to malfunction. User agrees to hold Powell Webs harmless **in the case of an adverse result.**

Trivia Questions

Issue 15 Question. On July 28, 1945 this accident in the Empire State Building caused the deaths of 14 people and injured 26. **ANSWER** A B-24 Bomber flew into the Empire State Building

New Question. This famous actress is the sister of Warren Beatty. Who is she? E-mail Powell Webs the answer. We will include it in our next issue.

[Scientific American](#) This immensely respected scientific journal is online and best of all its free. The present issue has an article on climate change.

Big Myths

[Copyright Myths](#) Can you copy and use articles that are freely available on the internet? What about blogs? Are they copyrighted? Do you have to put a copyright symbol on your work to own it?

[Beam Me Up Scotty](#) James Doohan, aka Scotty of the Star Ship Enterprise has had some of his creamated remains launched into outer space. Read the details here.

[ZDNet](#)

[How To Erase a Hard Drive](#) Giving your old computer away? Don't want the new owner to have access to your private data? Read this article on how to clean your hard drive and protect your personal data.

[Do It Yourself Camera Tripod](#) A good temporary fix when you need a tripod.

[Disney2go](#) This is a beautiful site with the award winning art we have all come to know and love. Even as an adult I enjoyed looking through this site. You can even download pages of coloring books for the kids.

**HOLLYWOOD
BLASPHEMY**

[Hollywoodblasphemy.com](#) This is a thought provoking 3 minute video where Ray Comfort interviews several people about their views on taking God's name in movies. He has an important point to make. Do you think he is right?

[OpenOffice.org](#) We have mentioned OpenOffice.org on several occasions. It is the office suite we use at Powell Webs. We use it to generate this newsletter. It is a free alternative to Microsoft Office. Check out the features at their site.

[Mashable](#)

[23 Ways to Download YouTube Videos](#) Want to download your favorite YouTube videos to your hard drive. Here is 23 different ways.

[Top 25 Web Hoaxes](#) In this article, found on Yahoo! News, the top 25 web hoaxes are reviewed. Have you seen any of them? Were you duped by them or even forwarded them to friends? This article, in itself is a strong argument against forwarding group e-mails.

We hope this information has been useful to you and will help enhance your Internet experience.
